EXPLANATORY NOTE

(This note is not part of the Ordinance)

1. This explanatory note relates to the Agricultural Provisions (Amendment) Ordinance 2014 (the “Ordinance”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Ordinance. It does not form part of the Ordinance.
2. The Ordinance amends the Agricultural Provisions Ordinance 2007 (the “principal Ordinance”). The principal Ordinance adopts the agricultural laws of the Republic of Cyprus (including amendments to the laws and secondary legislation made under them) so that they have effect as legislation of the Areas.
3. The amendment made by section 3 of the Ordinance puts beyond doubt that when an agricultural law is adopted criminal offences and the penalties for those offences provided for in the law of the Republic have effect in the Areas.
4. Section 4 of, and the Schedule to, the Ordinance insert a new Schedule 1 in the principal Ordinance. The Schedule specifies the agricultural laws of the Republic which are adopted under the principal Ordinance. The new Schedule 1 reflects changes to the laws of the Republic since the principal Ordinance was made in 2007. The laws are ordered by reference to the date the laws were first made in the Republic.
