The Quarantine Ordinance—

Regulations under Section 6 ........................................... 41

The Laws (Adaptation and Interpretation) Ordinance—

Notice under Section 6A ......................................................... 42

The Recognition of Republican Licences Ordinance—

Notice under Section 3 (2) ....................................................... 43

(63)
In exercise of the powers vested in him by section 6 of the Quarantine Ordinance, the Administrator hereby makes the following regulations:—

1. These regulations may be cited as the Quarantine (Maritime and Aerial) (Amendment) Regulations, 1967, and shall be read as one with the Quarantine (Maritime and Aerial) Regulations (hereinafter referred to as “the principal Regulations”).

2. Regulation 2 of the principal Regulations is hereby amended as follows:—

(a) by deleting therefrom the definitions of “foyer” and “yellow fever endemic area”;
(b) by deleting therefrom the definition of “epidemic” and “Health Authority” and substituting therefor respectively the following new definitions:

“epidemic” means an extension of a quarantinable disease by a multiplication of cases in a local area;

“Health Authority” means the Chief Officer, Sovereign Base Areas, or any other person duly authorized by him for the purposes of these Regulations;

(c) (i) by deleting from the definition of “quarantine anchorage” appearing therein the words “any of the quarantine anchorages set out in the First Schedule hereto and includes such other” and substituting therefor the word “such”;
(ii) by deleting from the definition of “valid certificate” appearing therein the words “and issued from authorized vaccination and inoculation centres” and substituting therefor the following words “and, in the case of yellow fever issued from an authorized vaccination centre”.

3. Regulation 3 of the principal Regulations is hereby amended as follows:—

(a) by deleting sub-paragraph (a) of paragraph (1) thereof and substituting therefor the following new sub-paragraph:
“(1) (a) The master of a seagoing vessel making an international voyage at a port in the Areas (if it is the first port of call of such vessel in the Island of Cyprus), shall ascertain the state of health on board and except when the Health Authority does not require it, he shall, on arrival, complete and deliver to the Health Authority a Maritime Declaration of Health in the form set out in the First Schedule hereto, which shall be countersigned by the ship's surgeon if one is carried thereon.”;

(b) by deleting sub-paragraph (b) of paragraph (1) thereof;

(c) by re-lettering sub-paragraph (c) of paragraph (1) thereof as sub-paragraph (b) and deleting therefrom the words “or from the answers to the enquiries” appearing in the second and third lines thereof;

(d) by deleting paragraph (2) thereof and substituting therefor the following new paragraph:

“(2) (a) The pilot in command of an aircraft, on landing at an airport, or his authorized agent shall complete and deliver to the Health Authority for that airport, the health part of the Aircraft General Declaration in the form set out in the Second Schedule hereto;

(b) the pilot in command of an aircraft or his authorized agent shall supply any further information required by the Health Authority for that airport as to health conditions on board during the voyage and shall notify the Health Authority of any death on the aircraft or any case or suspected case of infectious disease on the aircraft which is likely to lead to infection or the spread of infectious disease.”;

(e) by inserting immediately after paragraph (6) thereof the following new paragraph to be numbered (7):

“(7) (a) Every ship or aircraft leaving a local area where transmission of malaria or other mosquito-borne disease is occurring, or where insecticide resistant mosquito vectors of disease are present, shall be disinsected under the control
of the Health Authority as near as possible to the time of its departure but in sufficient time to avoid delaying such departure;

(b) on arrival in an area where malaria or other mosquito-borne disease could develop from imported vectors, the ship or aircraft mentioned in sub-paragraph (a) of paragraph (7) may be disinfected if the Health Authority is not satisfied with the disinfestation carried out in accordance with this sub-paragraph, or it finds live mosquitoes on board."

4. Regulation 8 of the principal Regulations is hereby amended:

(a) by deleting from the first and second lines thereof the words "The master of an infected vessel (and, in the case of the Port of Famagusta, of a suspected vessel also)" and substituting therefor the words "The master of an infected or suspected vessel";

(b) by deleting the full stop at the end thereof, substituting a colon therefor and adding the following proviso:

"Provided that if the Health Authority after consultation with the appropriate authorities of the Republic so orders in writing, the master of the said vessel shall cause his vessel to be taken to the Republic in order that he may comply with any appropriate provisions of the law of the Republic relating to quarantine."

5. Regulation 13 of the principal Regulations is hereby amended by deleting the proviso to paragraph (b) thereof and substituting therefor the following new proviso:

"Provided that in the case of smallpox and yellow fever, no person shall be prohibited from embarkation if he satisfies the Health Authority that he is sufficiently protected by recent vaccination or by a previous attack of smallpox or yellow fever, as the case may be."

6. Regulation 15 of the principal Regulations is hereby amended by deleting the words "excluding the last six days thereof" appearing in the third line of the proviso to sub-paragraph (c) of paragraph (5) thereof.

7. Regulation 16 of the principal Regulations is hereby amended as follows:
(a) by deleting sub-paragraphs (c) and (d) of paragraph (5) thereof, the present sub-paragraph (e) being relettered as (c);

(b) by deleting paragraphs (6) and (7) thereof.

8. Regulation 19 of the principal Regulations is hereby amended by deleting the words “from the date of their departure from the infected local area” appearing in the last two lines of sub-paragraph (c) of paragraph (2) thereof and substituting therefor the words “from the last exposure to infection”.

9. Regulation 22 of the principal Regulations is hereby amended by deleting paragraph (3) thereof.

10. Regulation 24 of the principal Regulations is hereby amended by deleting the words “any place declared by the Governor to be” appearing in the third and fourth lines thereof.

11. The principal Regulations are hereby amended by deleting the First Schedule thereto and re-naming the Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth and Ninth Schedules as the First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth Schedules respectively, and by deleting the references to the said Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth and Ninth Schedules wherever they appear in the principal Regulations, and substituting therefor, in each case, the references to the First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth Schedules respectively.

12. The principal Regulations are hereby amended by deleting the Third Schedule (re-named as the Second Schedule) thereto and substituting therefor the following new Schedule:—

**SECOND SCHEDULE**

(Regulation 3 (2)).

**HEALTH PART OF THE AIRCRAFT GENERAL DECLARATION**

Persons on board known to be suffering from illness other than air-sickness or the effects of accidents, as well as those cases of illness disembarked during the flight.

Any other condition on board which may lead to the spread of disease.

Details of each disinsecting or sanitary treatment (place, date, time, method) during the flight. If no disinsecting has been carried out during the flight give details of most recent disinsecting.

Signature, if required:

Crew member concerned"
13. The Sixth Schedule (re-named as the Fifth Schedule) to the principal Regulations is hereby amended by deleting therefrom the following paragraphs:—

"Notwithstanding the above provisions, in the case of a pilgrim, this certificate shall indicate that two injections have been given at an interval of seven days and its validity shall commence from the date of the second injection”.

"Nonobstant les dispositions ci-dessus, dans le cas d’un pelerin, le present certificat doit faire mention de deux injections pratiquées à sept jours d’intervalle et sa validité commence le jour de la seconde injection.”.

14. The Seventh Schedule (re-named as the Sixth Schedule) to the principal Regulations is hereby amended:—

(a) by deleting therefrom the unnumbered paragraph containing the following words:—

"The validity of this certificate shall extend for a period of six years, beginning ten days after the date of vaccination or, in the event of a revaccination within such period of six years, from the date of that revaccination.”;

and substituting therefor the following new unnumbered paragraph:—

"The validity of this certificate shall extend for a period of ten years, beginning ten days after the date of vaccination or, in the event of a revaccination within such period of ten years, from the date of that revaccination.”;

(b) by deleting therefrom the unnumbered paragraph containing the following words:—

"La validité de ce certificat couvre une période de six ans commençant dix jours après la date de la vaccination ou, dans le cas d’une revaccination au cours de cette période de six ans, le jour de cette revaccination.”;

and substituting therefor the following new unnumbered paragraph:—

"La validité de ce certificat couvre une période de dix ans commençant dix jours après la date de la vaccination ou, dans le cas d’une revaccination au cours de cette période de dix ans, le jour de cette revaccination.”.

15. The principal Regulations are hereby amended by deleting the Eighth Schedule (re-named as the Seventh Schedule) thereto and substituting therefor the following new Schedule:—
"SEVENTH SCHEDULE
(Regulation 19 (5)).

The validity of this certificate of vaccination against smallpox shall extend for a period of three years, beginning eight days after the date of a successful primary vaccination or, in the event of a revaccination, on the date of that revaccination.

The approved stamp mentioned above must be in a form prescribed by the health administration of the territory in which the vaccination is performed.

Any amendment of this certificate, or erasure, or failure to complete any part of it, may render it invalid.

La validité de ce certificat de vaccination contre la variole couvre une période de trois ans commençant huit jours après la date de la primovaccination effectuée avec succès (prise) ou, dans le cas d’une revaccination, le jour de cette revaccination.

Le cachet d’authentification doit être conforme au modèle prescrit par l’administration sanitaire du territoire où la vaccination a été effectuée.

Toute correction ou rature sur le certificat ou l’omission d’une quelconque des mentions qu’il comporte peut affecter sa validité.”.
