3. These Regulations relate only to civil aviation and shall apply to accidents arising out of or in the course of air navigation which occur to civil aircraft in or over the Sovereign Base Areas.

PART I - ACCIDENT INVESTIGATION

4. The fundamental purpose of investigating accidents under these Regulations shall be to determine the circumstances and causes of the accident with a view to the preservation of life and the

avoidance of accidents in the future; it is not the purpose to apportion blame or liability.

5.-(1) Where a reportable accident occurs the commander of the aircraft involved at the time of the accident, or if he be killed or incapacitated then the operator of the aircraft, and, in the case of an accident occurring on or adjacent to an aerodrome, the aerodrome authority shall forthwith give notice thereof to the Chief Inspector by the quickest means of communication available and in the case of a reportable accident occurring in or over the Areas shall also notify forthwith the local police authorities of the accident and of the place where it occurred.

(3) Where an accident to which these Regulations apply occurs in or over the Areas, the owner, operator, commander or hirer of the aircraft shall, if so required by notice in writing given to him by the Chief Inspector, send to the Chief Inspector, within such time as may be specified in the notice, such information as is in his possession or control with respect to the accident in such form as the Chief Inspector may require.

6. The Chief Inspector may at any time publish, or cause to be published, information relating to an accident whether or not such an accident is the subject of an investigation by an Inspector, or of a Public Inquiry.

7.-(1) Subject to Regulation 9 below, where a reportable accident occurs in or over the Areas, no person other than an authorised person shall have access to the aircraft involved in the accident and

neither the aircraft nor its contents shall except under the authority of the Administrator be removed or otherwise interfered with:

8.-(1) For the purpose of carrying out investigation into the circumstances and causes of accidents to which these Regulations apply the Administrator shall appoint persons as Inspectors of Accidents, one of whom shall be appointed by the Administrator as Chief Inspector of Accidents.

(2) The Chief Inspector shall determine whether or not an investigation shall be carried out into any accident to which these Regulations apply and he may himself carry out, or may cause an Inspector to carry out, an investigation of any such accident.

(3) Without prejudice to the power of an Inspector to seek such advice or assistance as he may deem necessary in making an investigation, the Administrator may at the request of the Chief Inspector appoint persons to assist any Inspector in a particular investigation and such persons shall for the purpose of so doing have such of the powers of an Inspector under these Regulations as may be specified in their appointment.

9. For the purpose of the investigation of any accident to which these Regulations apply, or any inquiries undertaken with a view to determining whether any such investigation should be held, an Inspector shall have power -

- (a) by summons under his hand to call before him and examine all such persons as he thinks fit, to require such persons to answer any question or furnish any information or produce any books, papers, documents and articles which the Inspector may consider relevant and to retain any such books, papers, documents and articles until the completion of the investigation or any inquiry held under Regulation 17 of these Regulations or, as the case may be, it is determined that an investigation shall not be carried out;

10.-(1) Public notice that an investigation by an Inspector (hereinafter called an "Inspector's investigation") is taking place shall be given in such manner as the Chief Inspector may think fit and shall invite any persons who desire to make representations concerning the circumstances or causes of the accident to do so in writing within a time to be specified in the notice.

(2) An Inspector's investigation shall be held in private.

(3) Where it appears to the Inspector that in order to resolve any conflict of evidence or that for any other reason it is expedient so to do, he may permit any person to appear before him and to call evidence and examine witnesses.

(4) Every person summoned by the Inspector as a witness in accordance with these Regulations shall be allowed such expenses as the Administrator may determine.

(5) The Chief Inspector may determine that any Inspector's investigation being carried out into any accident shall be discontinued and in that event no report shall be made thereon to the Administrator under paragraph (6) of these Regulations, but public notice shall be given, in such manner as the Chief Inspector may think fit, that the investigation has been discontinued.

(6) Subject to the provisions of Regulation 11 of these Regulations, upon completion of an Inspector's investigation the Chief Inspector shall submit to the Administrator the report of the Inspector who carried out the investigation.

(7) The report to the Administrator shall state the facts pointing to the accident followed by an analysis of the facts and conclusions as to the cause or causes of the accident, together with any

recommendations which the Inspector thinks fit to make with a view to the preservation of life and the avoidance of accidents in the future.

11.-(1) No report shall be submitted to the Administrator under Regulation 10(6) of these Regulations in respect of an accident until the Inspector has -

- (a) where it appears to him to be practicable so to do, served a notice under this Regulation upon the operator and commander of the aircraft involved in the accident and on any person whose reputation is, in the Inspector's opinion, likely to be adversely affected by the report or, if any of the foregoing be a deceased individual, upon such person or persons as appear to the Inspector, at the time he proposes to serve a notice pursuant to this paragraph, to represent best the interest of the deceased in the matter, and
- (b) considered any representations which may be made to him in accordance with paragraph (3) of these Regulations by or on behalf of the persons served with such notice.

(2) The notice referred to in paragraph (1) of these Regulations shall include particulars of any proposed analysis of facts and conclusions as to the cause or causes of the accident which may affect the person on whom or in respect of whom the notice is served.

(3) Any representations made pursuant to paragraph (1) of these Regulations shall be in writing and shall be served on the Inspector within 28 days of service of the notice referred to in that paragraph or within such further period as may be allowed under Regulation 21 of these Regulations.

(4) A copy of the report submitted to the Administrator under Regulation 10(6) of these Regulations shall be served with a notice pursuant to paragraph (1) of these Regulations.

12.-(1) Any person who has been served with a notice under Regulation 11(1) of these Regulations may, at any time before the expiration of the period of 21 days from the day on which he has been served with a copy of the report under Regulation 11(4) of these Regulations, (or within such further period as may be allowed under Regulation 21 below) serve on the Administrator written notice (hereinafter called the "notice of review") that he wishes those findings and conclusions in the report from which it appears that his reputation or, as the case may be, the reputation of the person on whose behalf representations have been made under Regulation 11(3) of these Regulations, is likely to be adversely affected, to be reviewed by a Review Board.

(2) The notice of review shall specify the findings and conclusions that it is considered should be reviewed by the Review Board and shall state concisely the grounds on which the findings and conclusions in the report are challenged and there shall be appended to the notice a copy of any representations made under Regulation 11(3) of these Regulations.

(3) A copy of the notice of review (together with a copy of any representations made under Regulation 11(3) of these Regulations

shall at the same time as the notice of review is served on the Administrator, be served on the Attorney General and Legal Adviser, and the person requesting the review shall then or as soon as possible thereafter inform the Attorney General and Legal Adviser whether or not he proposes to be represented at the hearing of the review and of the name and address of the advocate, if any, acting for him, or of any other person who will be representing him at the review.

(4) A copy of the notice of review shall also be served by the person requesting the review on all other persons on whom the Inspector has served a notice under Regulation 11(1) of these Regulations, and for this purpose the person requesting the review may require the Inspector to furnish him with the names and addresses of those persons.

13.- (1) Where a notice of review in accordance with Regulation 12 of these Regulations has been served, the review shall be entrusted to a Review Board consisting of a chairman to be appointed for the purpose by the Senior Judge and such technical assessors as may be so appointed.

(2) Before the hearing of the review the Review Board shall hold a preliminary meeting at which any directions may be given or any preliminary interlocutory order as to the procedure may be made. Not less than 21 days notice of the date, time and place of the preliminary meeting shall be given by the Attorney General and Legal Adviser to the person requesting the review and all persons on whom a copy of the notice of review has been served and any person intending to make any application to the Review Board at the meeting shall give notice thereof to the Attorney General and Legal Adviser.

(3) The Attorney General and Legal Adviser shall serve on the person requesting the review and all other persons on whom the Inspector has served a notice under Regulation 11(1) of these Regulations, not less than 21 days' notice of the date, time and place of the hearing of the review.

(4) The hearing shall be in public unless the Review Board determines, in relation to the whole or part of the review, that it is to be held in private in the interests of justice or in the public interest:

Provided that a decision by the Review Board that the hearing, or part of it, shall be held in private shall not preclude the Inspector who made the report from being present at the hearing.

(5) The Review Board shall be assisted by the Attorney General and Legal Adviser who shall present any evidence required by the Review Board and may examine any witnesses giving evidence at the review; the Chief Inspector shall render such assistance to the Review Board as is in his power.

14.- (1) The person requesting the review shall be heard by the Review Board and shall have the right to give evidence, produce witnesses and examine any other witnesses giving evidence at the review. The Inspector who made the report shall be entitled to be heard by the Review Board.

(2) Any person who in the opinion of the Review Board may be directly affected by the review, may be granted leave to appear and to give evidence, produce witnesses and examine any other

witnesses giving evidence at the review. Any application for such leave may be made to the Review Board at the preliminary meeting.

(3) In any proceedings of the Review Board the person requesting the review and any other person appearing pursuant to leave granted under paragraph (2) of this Regulation, may appear in person or be represented by any other person whom he may have authorised to represent him.

(4) The Review Board shall have all the powers of an Inspector under these Regulations and, in addition, may administer an oath to or require a solemn affirmation from any witness.

(5)(a) Where new and important evidence is given at the review, which was not given at the Inspector's investigation, the Review Board may, on an application by the Chief Inspector, discontinue the review, and the Chief Inspector shall thereupon cause the investigation to be re-opened.

(b) Where at any time during the review the Review Board are satisfied that any of the findings and conclusions in the Inspector's report do not adversely affect the reputation of the person in respect of whom the notice of review was served, the Review Board may discontinue the review in respect of those findings and conclusions.

(c) Where a review is totally discontinued under this paragraph no report shall be made to the Administrator under paragraph (8) of this Regulation.

(6) Every person summoned by the Review Board as a witness shall be allowed such expenses as the Administrator may determine.

(7)(a) The Review Board may, if it thinks fit, order any person who appears or is represented as mentioned in paragraph (3) of this Regulation, to pay in respect of the costs of the Review Board such sum as may be specified in the order, or the taxed amount of those costs or such part thereof as may be so specified upon such basis as may be so specified, and without prejudice to the generality of the foregoing, the Review Board shall, in determining whether to make an order as to costs against any person, have regard to whether or not that person took advantage of such opportunities as were open to him to make representations under Regulation 11 of these Regulations or, where that person gave new and important evidence at the review and the review was discontinued, whether or not that person could reasonably have given that evidence at the Inspector's investigation.

(b) Any costs required by an order under sub-paragraph (a) of paragraph 7 to be taxed shall be assessed by the Senior Judge's Court on the basis specified in the Order.

(c) Any sum payable by virtue of an Order under sub-paragraph (a) shall, if the Judge's Court so orders, be recoverable by execution issued from the Judge's Court or otherwise as if payable under an Order of that Court.

(8) Upon completion of the review the Review Board shall make a report to the Administrator containing a summary of the proceedings at the hearing and either confirming or rejecting in

whole or in part those findings and conclusions of the Inspector which were the subject of the review; together with its reasons therefor, and the Administrator shall serve a copy of the report on all persons who appeared or were represented before the Review Board.

15. The Administrator shall, unless in his opinion there are good reasons to the contrary, cause the Inspector's report and, where a Review Board has been held, the report of the Review Board, to be made public wholly or in part in such manner as he thinks fit:

Provided that –

- (i) in any case where notice has been served under Regulation 11(1) of these Regulations, the Inspector's report shall not be published before the expiry of the time for service of a notice of review under Regulation 12(1) of these Regulations; and
- (ii) save where a review is totally discontinued under Regulation 14(5) above, in any case where a Review Board is held, the Inspector's report shall not be published until the Review Board has made a report to the Administrator under Regulation 14(8) of these Regulations.

16.- (1) In the case of any Inspector's investigation which has not been the subject of a review, the Chief Inspector may cause the investigation to be reopened, and in the case of a review the Administrator may direct the review to be reheard, in both cases either generally or as to any part thereof, and the Chief Inspector or the Administrator, as the case may be, shall do so -

- (a) if after the completion of the investigation or the review new and important evidence has been discovered, or
- (b) if for any other reason there is in his opinion ground for suspecting that a miscarriage of justice has occurred.

(2) If the Administrator directs any review to be reheard, the Senior Judge may direct that the review shall be reheard either by the Review Board by whom it was heard in the first instance or by some other Review Board appointed by him to hold the hearing.

(3) Any investigation reopened or review reheard shall be subject to and conducted in accordance with the provisions of these Regulations relating to an Inspector's investigation or review thereof as the case may be.

PART III - PUBLIC INQUIRIES

17.- (1) Where it appears to the Administrator that it is expedient in the public interest to hold a Public Inquiry into the circumstances and causes of an accident to which these Regulations apply or into any particular matter relating to the avoidance of such accidents in the future, he may direct that a Public Inquiry be held by a Commissioner appointed by the Senior Judge. In any such case any Inspector's investigation relating to the accident or to the particular matter, as the case may be, shall be discontinued except for the purpose of rendering assistance as required by paragraph (3) below.

(2) The Commissioner (hereinafter called "the Court") shall be a Judge and shall be assisted by not fewer than two Assessors possessing aeronautical, engineering or other special skills or knowledge. The Assessors shall be appointed by the Senior Judge.

(3) Where the Administrator has directed a Public Inquiry to be held, he shall remit the case to the Attorney General and Legal Adviser, and thereafter the preparation and presentation of the case shall be conducted by the Attorney General and Legal Adviser; the Chief Inspector shall render such assistance to the Court and to the Attorney General and Legal Adviser as is in his power.

(4) When the Administrator has directed a Public Inquiry to be held, the Attorney General and Legal Adviser shall cause a notice of the date, time and place and the nature of the Public Inquiry to be served upon the owner, operator, hirer and commander of any aircraft involved in the accident and on any other person who in his opinion ought to be served with such notice.

(5) The Attorney General and Legal Adviser, the owner, the operator, the hirer, the commander and any other person upon whom a notice of inquiry has been served under paragraph (4) of this Regulation shall be deemed to be parties to the proceedings.

(6) Any other person may by leave of the Court appear, and any person who obtains leave to appear shall thereupon become a party to the proceedings. Any application for such leave may be made to the Court at a preliminary meeting.

(7) At any time before the date appointed for holding the inquiry, the Court may hold a preliminary meeting at which any directions may be given or any preliminary or interlocutory order as to the procedure may be made. Notice of the date, time and place of the preliminary meeting shall be given by the Attorney General and Legal Adviser to the parties to the proceedings and to any other person who has notified the Attorney General and Legal Adviser that he intends to apply to the Court for leave to appear. Any person intending to make an application to the Court at the meeting shall give notice thereof to the Attorney General and Legal Adviser.

(8) The Court shall have, for the purposes of the inquiry, all the powers of the Judge's Court, and without prejudice to those powers, the Court may -

- (a) enter and inspect or authorise any person to enter and inspect a place, building or aircraft the entry or inspection whereof appears to the Court to be requisite for the purposes of the inquiry;
- (b) by summons require the attendance as witnesses of all such persons as the Court thinks fit to call and examine, and require such persons to answer any question or furnish any information or produce any books, papers, documents and articles which the Court may consider relevant;
- (c) administer an oath to or require a solemn affirmation from any such witnesses.

The Assessors shall have the same power of entry and inspection as the Court.

(9) Affidavits and statutory declarations may, by permission of the Court, be used as evidence at the hearing.

(10) At the time and place appointed for holding the inquiry the Court may proceed with the inquiry whether the parties, upon whom a notice of inquiry has been served or who have obtained leave to appear, or any of them, are present or not.

(11) The Court shall hold the inquiry in public Court save to the extent to which the Court directs, in relation to any part of the evidence or any argument relating thereto, that the inquiry be held in private in the interest of justice or in the public interest.

(12) The Inspector who carried out or, before its discontinuance under paragraph (1) of this Regulation, was carrying out an Inspector's investigation into an accident to which the inquiry relates shall be entitled to be present at any proceedings of the Court held in private.

18.- (1) The proceedings on the inquiry shall commence with an opening speech by the Attorney General and Legal Adviser, followed at the discretion of the Court with brief speeches by or on behalf of the other parties. The proceedings shall continue with the production and examination of witnesses by the Attorney General and Legal Adviser. These witnesses, after being examined by the Attorney General and Legal Adviser, may be cross-examined by the parties in such order as the Court may direct, and may then be re-examined by the Attorney General and Legal Adviser.

(2) When the examination of the witnesses produced by the Attorney General and Legal Adviser has been concluded, the Court shall proceed to hear the other parties to the proceedings. Each party to the proceedings shall be entitled to address the Court and produce witnesses or recall any of the witnesses who have already been examined for further examination and generally adduce evidence. The parties shall be heard and their witnesses examined, cross-examined and re-examined in such order as the Court shall direct. Further witnesses may also be produced and examined by the Attorney General and Legal Adviser and may be cross-examined by the parties and re-examined by the Attorney General and Legal Adviser.

(3) When the whole of the evidence has been concluded any of the parties who desires so to do may address the Court upon the evidence and the Court may be addressed in reply upon the whole case by the Attorney General and Legal Adviser.

(4) The Court may adjourn the inquiry from time to time and from place to place, and where an adjournment is asked for by any party to the inquiry the Court may impose such terms as to payment of costs or otherwise as it may think just as a condition of granting the adjournment.

(5) Upon completion of the inquiry, the Court shall make a report to the Administrator stating the facts relating to the accident and the opinion of the Court touching the cause or causes of the accident or on the particular matter referred to the Court and adding any recommendations which the Court thinks fit to make with a view to the preservation of life and the avoidance of accidents in the future.

(6) Each Assessor shall either sign the report with or without reservations, or state in writing his dissent therefrom and his reasons for any such dissent, and such reservations or dissent and reasons shall be forwarded to the Administrator with the report. The

Administrator shall, unless in his opinion there are good reasons to the contrary, cause any such report and reservations or dissent and reasons to be made public wholly or in part in such manner as he thinks fit.

(7) Every person attending as a witness before the Court shall be allowed such expenses as would be allowed to a witness attending before the Court, and in case of dispute as to the amount to be allowed, the same shall be referred by the Court to the Senior Judge who on request signed by the Court shall ascertain and certify the proper amount of the expenses:

Provided that in the case of any party to the proceedings or of any person in the employment of such a party, any such expenses may be disallowed if the Court in its discretion so directs.

19.-(1) The Administrator may, in any case where a Public Inquiry has been held, direct the inquiry to be reheard either generally or as to any part thereof and shall do so -

- (a) if after the completion of the inquiry new and important evidence has been discovered, or
- (b) if for any other reason there is in his opinion ground for suspecting that a miscarriage of justice has occurred.

(2) If the Administrator directs any inquiry to be reheard, the Senior Judge may direct that the inquiry shall be reheard either by the Court by whom it was heard in the first instance or by some other person appointed by him to hold the rehearing.
