**(This note is not part of the Order)**

### Introduction

1. This explanatory note relates to the European Community (Specified Measures) (Cat and Dog Fur) Order 2010. It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Order. It does not form part of the Order.

### Particular points

2. Section 3(1) of the European Community (Specified Measures) Ordinance 2005 provides that the Administrator may by Order provide for a specified EC measure to have effect in the Areas. A specified EC measure is one which applies in the territory of the Republic of Cyprus but does not apply in the Areas as a matter of European Community law. By adopting specified EC measures, the SBAA replicates the effect of Republican law in respect of relevant directly applicable Community law.

3. The Order provides for the adoption in the Areas of Council Regulation (EC) No. 1523/2007 of 11 December 2007 banning the placing on the market and the import to, or export from, the Community of cat and dog fur, and products containing such fur. The effect of this Order is to make the Regulation have direct effect in the Areas subject to necessary modification and as far as possible in accordance with section 3(2) of the European Community (Specified Measures) Ordinance 2005.
