What do movement restrictions mean for you?

STOP all non-essential movement with the following exceptions:
• Movement to and from place of work.
• Movement of essential supplies, stores or equipment that are required to maintain operational outputs.
• Purchase of essential household provisions.
• Essential welfare provision.
• Fitness training is to continue, restricted to a maximum two people within a base location or married quarter patch. This includes the exercising of pets.
• Families can walk together within their married quarter patches in the SBAs; they are not restricted to two people however they must avoid other families.

The following places are OUT OF BOUNDS:
• Beaches.
• Parks.
• Playgrounds.
• Open sports grounds including outdoor gyms.
• Public meeting spaces.
• Religious places.
• All retail businesses less Forces Stores and authorised takeaways.

Travel to work from the Republic of Cyprus

A Work Commute Certificate is to be carried from 1800hrs Tuesday 24th by all civilian and military personnel who work on the SBAs and who will transit to/from the Republic of Cyprus for employment.

Personnel should speak to their line manager about getting a certificate which should be carried with a copy of your passport/ID card.

The Greek language version of the form must be carried at all times for the duration of the imposed movement restriction period.

Non-Work Travel in the Republic of Cyprus

A self-certifying Statement for Movement Certificate must be carried by everyone for travel within the Republic of Cyprus from 1800hrs Tuesday 24th.

It must be completed for each journey into the Republic of Cyprus for the purpose of those activities listed above. The form must be supported by a valid passport or ID card (dependents pass). It can be downloaded here.

The Greek language version of the form must be presented for the duration of the imposed movement restriction period.

Dependents traveling within the SBAs

SBA residents (non military) are to carry their passport and status-stamp during all movement, and if within the Republic of Cyprus, the self-certifying certificate.

Remote working

Everyone who can work from home must do so. Line managers are to determine who must remain at their place of work for the physical execution of their duties.

Further guidelines of enforcement will follow from the RoC and the SBAA.
